Child Protection Statement of Commitment

All Baptist Care employees, volunteers and contractors are responsible for the care, safety and wellbeing of children and vulnerable young people in our care.

We are all required to ensure we maintain professional transparency and accountability of our own behaviours and demonstrate awareness of and adherence to Baptist Care's Child Protection policies and procedures, as well as to Australian Child Protection laws.

We will actively seek to identify and prevent risks to children and young people by encouraging client feedback and responding as an upmost priority to any suspicions or reports of child abuse (physical, psychological, emotional or sexual), neglect, harm or exploitation.

Through our values of integrity, compassion, empowerment and innovation, together we will ensure a safe environment for children and young people in our care in order for them to achieve their full potential.
